

## Join our global Finance team!

Are you our new colleague? Alfa is expanding our Finance department where you will be an important team player.

### Job description

As an Accountant at Alfa, you will take on a business-related role where you focus on reconciliations and reporting between the companies. You are initially responsible for the Danish company, but handle VAT registration and other accounting for several countries. Monthly accounts, budget and reports to the board are also a big part of your everyday tasks. You will be a very welcome and important resource in the company, where you also support other colleagues in the finance department. You are part of a team of 11 people and report to the CFO. The position is located at our HQ in Jönköping.

We are happy to see that you have a degree in economics with good experience of independently qualified accounting work. Alternatively, you have acquired equivalent professional experience. To succeed in this role, you have a broad knowledge of accounting, are good at structure and analysis, and have good knowledge of Excel. We will be extra happy if you have an interest and have great experience with business systems. We use Visma as an accounting system. As we are an international group, it is important that you are comfortable communicating in both Swedish and English in both speech and writing.

At Alfa, you thrive who are open, unpretentious and looking for a job with a lot of responsibility and many contact points. Your way of working is permeated by independence, commitment and the ability to see details as well as the whole. As a person,

you are thorough and confident in your role as an accountant, and take the help of your previous experience in the field to be able to quickly familiarize yourself with new tasks and routines. Great emphasis is placed on your personal qualities.

We offer a stimulating and developing work in nice premises in Jönköping. Welcome with your application!
