

Come and join our IT Support Team!

We are looking for a candidate for our office in Jönköping

Alfa is an expanding company which is continually developing our working processes and IT environment. We are looking for a candidate to provide support to internal users for both Mac OSX and Windows.

Tasks

You will assist with application support, maintaining systems, troubleshooting, respond to Help Desk calls and tickets as well as help with distribution of programs and hardware. You will be one of four co-workers sharing the responsibility for IT Support.

Skills

You have basic IT knowledge, and enjoy providing services. A completed high school education related to IT or customer oriented higher education, such as Data Economy or Technical Data Alignment is required.

You have extensive knowledge of Microsoft Office and Mac OSX/Windows/iOS in current versions as well as knowledge of Microsoft Windows server solutions for businesses, and basic understanding of IT infrastructures.

Experience from previous support work and help desk systems is an advantage. Knowledge in and experience of Microsoft Office 365, Active Directory, web development and working in an organization controlled by management systems is also an advantage.

We are an international company with users in all of Scandinavia. English is our group language, so we require that you are fluent in speech and writing in both Swedish and English.

As a person you are organized, structured and solution-oriented. You can prioritize and enjoy working both independently and with others.

We put great emphasis on your personal characteristics.

Working hours

Permanent full-time position, with immediate start date.

Application

Send your application together with your CV to hr@alfamoving.com Apply as soon as possible, interviews will be ongoing. Application deadline is **September 23, 2019**. Mark your application **"IT Support"**.
